Points swimmer of the meet – **CHARLIE K** with 56 points, after overcoming a goggle & coughing fit in her 400 & still finishing the race.

Race of the meet (for me) has to go to **ELISHA C** for her amazing 1500m – it was an Open & Mixed event & Elisha was the 1st female onto the wall!

A MASSIVE thank-you to Harry (from Echuca) & William (from Kyabram) for joining our boys in the relay 😊

Some fun to go along with the racing in Echuca. A Paddlesteamer cruise in a very swollen river!
